

“EQUAL OPPORTUNITY FOR EVERYONE “

## ARTS-BASED EDUCATION KEY TO SUCCESS

Muchila Creativo, established in 2003, has expanded to open a secondary arts-based school for students with disabilities age 16 and 25. Muchila Secondary Arts-Based education features a holistic curriculum which includes skill-based classes to foster independence for success in the workplace and integration into the Aruban community.

Our school offers arts-based education for engagement, social emotional wellbeing, cognitive growth, purpose, service, and joy.

### Our school vision:

- ✓ Arts-based education enhances quality of life for our students. Learn to Workplace internships will open doors of opportunity and possibility.
- ✓ They will be able to get work in the community, or some students will be able to apply for higher education.
- ✓ They will be fulfilled for life in terms of knowledge and skills.

### About Us

Muchila Creativo is an arts foundation that works in the social, cultural, educative, therapeutic, artistic, and creative field. Muchila wants to motivate children, youth, and adolescents to express themselves in the field of music, dance, visual arts, and theater. We also want to expand their creative horizon by means of literature and multimedia.
